PERSONAL INJURY PROTECTION (NO-FAULT COVERAGE) OPTIONS

Pursuant to Florida law, you may be required to maintain Personal Injury Protection (PIP) if you are the owner or registrant of a motor vehicle required to be registered and licensed in Florida. This is often referred to as no-fault coverage. If you are required to maintain PIP Coverage, refer to the options below.

Basic PIP Coverage provides for 80% of covered medical expenses and 60% of covered work loss expenses. It also covers replacement services expenses and death benefits. The total aggregate limit for all medical expenses, work loss expenses and replacement services expenses is \$10,000 per person and the death benefit limit is \$5,000 per person. Refer to your policy for the prevailing coverage provisions.

You may elect a deductible and to exclude coverage for loss of gross income and loss of earning capacity ("lost wages" or "work loss"). These elections apply to the named insured alone or to the named insured and all dependent resident relatives. A premium reduction will result from these elections. The named insured is hereby advised not to elect the lost wage exclusion if the named insured or dependent resident relatives are employed, since that would preclude the payment of lost wages in the event of an accident.

No deductible or exclusion of work loss benefits will apply, unless you make an election below. However, if this is a renewal policy, the limits and options elected for the PIP Coverage of your expiring policy will apply for the renewal policy unless you make a different election below.

Florida law allows you to select various deductible options to apply to the coverage as well as various work loss exclusions. Please see Options I and II to make your selections. Options III and IV are optional benefits. Check with your agent or carrier to determine if Options III and IV are offered by your company.
